PROGRAM DESCRIPTION: Child Care Area Resources and Education Services.

We help families find reliable child care.

*Information and Referral: Linking parents looking for child care providers in centers, homes and school. The agency maintains a computerized database of child care centers, homes and programs for children. When parents call, a referral specialist uses the database to help find available child care in their area of work or residence. Parents also receive guidelines on how to select quality child care. Calls typically last 10-20 minutes and offer at least three referrals.

Training: Offering child care providers printed materials, classes, workshops and seminars.

Community Education: Helping parents make more informed child care choices and become better consumers of providers for child care services.

APPLICATIONS ACCEPTED: Phone line answered 8:00 a.m. to 4:00 p.m. Monday through Friday. At other times a message can be left with a return phone number and a Referral Specialist will call the next business day.

If you are searching for child care or providing child care and wish to be included in our listing, please call Child Care Choices at 477-1602.

**CIRCLEVILLE CITY SCHOOLS
SPECIAL NEEDS PRESCHOOL**

(Located in Mound St. Elementary School, 424 E. Mound St.)

- CONTACT PERSON:** Angie Overholt, Preschool Coordinator 474-7529
Carol Sheets, Teacher 474-3940
- POPULATION SERVED:** Children aged 3 - 5 years with identified disabilities.
And Head Start children without disabilities
Living in the Circleville School District area.
- ENROLLMENT** 20 children with disabilities
- CLASS SIZE:** 16 children
Up to 8 children with disabilities may be served in a
preschool classroom setting.
- 12 more children can be served through consultation
and individual instruction.
- FEE:** NO FEE
- PROGRAM DESCRIPTION:** Monday-Friday 8:40-11:25 AM
The Circleville Preschool Program offers flexibility in
serving three to five year old children with disabilities
as best meets the needs of the child and the family.
Options may include:
1. Preschool Classroom Setting. This program is
designed to serve up to eight children with disabilities
along with Head Start student peers. Here children
learn together within an age and individually
appropriate curriculum. The daily routine
encourages independence and cooperation, problem
solving, observation, social and emotional skills,
communication, self help, art, music, and small and
large motor skills. Children are supported in learning
at their own rate. Individual plans promote family
involvement and cooperation between programs to
insure successful transition to school.
 2. Home or Other Program Consultation. Certified
professionals may provide direct instruction or
consult with families and professionals within a
variety of settings. Special services like speech, OT
or PT, as well as consultation from the preschool
disabilities teacher may occur within any setting that
is appropriate for the child and the family as defined
through an individual educational plan.
- Referrals for evaluation are accepted at anytime. Enrollment eligibility is
determined through the multifactored evaluation process or Head Start
enrollment.**

AM class 8:40–11:20
PM class 12:30-3:10
The program curriculum is aligned to the Ohio Department of Education Early Learning Content Standards.

The Program Philosophy:

- Families and teachers are partners with each other and the community. We must work together to provide the best experiences for children.
- Each child is unique and special
- Children learn best by doing and playing
- Children learn from others—both adults and other children.
- Curriculum should include personal and social development, language and literacy, math, science, social studies, creative arts, physical development and health and safety.
- The classroom should be safe and have areas for learning
- Teachers plan for children each day, based on the experiences, needs and interests of each child.
- Learning should be FUN!

PROGRAM DESCRIPTION: Our Center has received a One-Star Step Up to Quality Award from the Ohio Department of Job and Family Services in recognition of our commitment to children and exceeding Ohio's licensing standards.

Classes being offered are Preschool I, Pre-K I and II, Extended Kindergarten and Before/After Care.

A thematic curriculum emphasizes English Language Arts, Mathematics, Science and Social Studies which meet the criteria for the Ohio Early Learning Content Standards. Diversity is experienced by learning simple map reading skills through an "Around the World" study of geography, multi-cultural music, people, customs, and foods. Opportunities for the development of large and small motor skills are integrated throughout the curriculum on a daily basis.

Our Center is a regular bus stop for Logan Elm District's Laurelville, Pickaway, Washington, and Saltcreek Elementary Schools.

The Creation Station provides a creative and safe learning environment for children based upon Christian principles.

PROGRAM DESCRIPTION: TRINITY LUTHERAN CHRISTIAN PRESCHOOL AND KINDERGARTEN is committed to providing a program and environment that emphasizes the development of the whole child; mentally, socially, emotionally, academically, physically and spiritually; and to recognize the way a child learns and provide for individual differences among children as they grow. Our curriculum provides a hands-on learning approach to education. Emphasis on cooperation, listening, following directions, problem solving and decision making are necessary in a child's preparation for school and living in society. Special features include: field trips, parties, holiday programs, daily worship and monthly chapel with the preschool director, service projects and indoor and outdoor play areas designed for the safety and enjoyment of young children. Our staff meet state requirements and attend early childhood workshops throughout the year.

Our Kindergarten is committed to providing your child a small class size in a Christian atmosphere. A well-rounded program of reading, phonics, and hands-on-math will challenge the student while developing a love for learning. Upon successful completion of the 182 session program, your child will be accepted into any first grade program where they meet the age requirement. The Kindergarten teacher is an experienced elementary teacher, who not only meets state requirements but also attends workshops throughout the school year.

APPLICATIONS ACCEPTED: Registration begins in February and continues throughout the summer for fall classes as long as openings are available.

This program is designed to provide developmentally appropriate activities for preschoolers to remediate delays in communication, social/emotional, cognitive, adaptive behavior or motor areas. It also provides opportunities for typically developing children to interact with peers, and introduces the children to an "away from home" routine. Related services are available for preschoolers who need speech/language therapy, occupational therapy or physical therapy.
